Minimum stand size	12m ²
Additional Service	Additional services will be available within our online service center under www.stuva-expo.de . Exhibitors receive their access date in due time before the event date and execute their orders for desired services here. Prices for additional orders are subject to the terms stated in the online service center.
Stand design (cf. General Terms of Participation no. 7)	The obligatory minimum requirements are a floor covering over the full surface (carpet etc.), stand inscription (company name and address) and stand participation walls visually appropriated to the surroundings. The stand sides facing the visitor aisles must be designed in a transparent and open form. For each stand side facing the visitor aisle, a maximum of 30 % of the stand length may be built with closed elements, to a height of 2.50 m. There must be no hindrance to opposite or adjacent stands, and no impairment of the view into those stands.
Stand participation walls (cf. General Terms of Participation no. 7)	Exhibitors are required to mark the limits of rented stand space by stand participation walls, unless they bring their own exhibition stand with them. Display and folding stands are not considered as stand participation walls. Stand participation walls may be rented in the corresponding order forms provided at the Online Service Center.
Condition of rental objects	All equipment items included with the handover of the finished stand are rented items. The rental objects are handed over in as-new and perfect condition. Complaints regarding rented objects are to be reported to deltacom GmbH immediately and in writing. The return of the rented items by the exhibitor to deltacom GmbH shall be in the same condition as the handover by deltacom GmbH to the exhibitor.
Damage to rented item	Damage to the rented items shall be borne by the exhibitor. The pasting of wall elements is prohibited. Damaged wall elements will be invoiced at EUR 100 per wall element.
Examples of damage Pin markings / screws 	Adhesive residues
