By submitting this application, we recognise the "General Conditions of Participation" (in particular point 7 (stand design / stand operation / construction heights) and the "Special Conditions of Participation of STUVA Expo" as well as the Technical Guidelines for Trade Fairs and Exhibitions of the respective trade fair location in all parts as binding. Conditions can be viewed at www.stuva-expo.de. The media entry and, if applicable, the energy flat rate is binding for exhibitors. All prices are net prices and do not include the VAT applicable at the time of invoicing.

Rented items shall remain the property of deltacom Projektmanagement GmbH.
If rental items are provided to the exhibitor for further use, e.g. printed textiles etc.,
These shall also remain the property of deltacom Projektmanagement GmbH
until the official end of STUVA Expo and may only be removed from the stand afterwards.

The exhibitor undertakes to erect 2.50 m high stand partition walls on all closed sides of the occupied stand area
in accordance with the General Terms and Conditions of Participation and to lay floor coverings.

Non-compliance will be penalised with a contractual penalty of EUR 1,500.

The exhibitor recognises all aforementioned points. Exclusive place of jurisdiction
for all disputes arising from this contract for both parties is Hamburg
